PPE Summary

Source: DES. Data as of 6/8/2020 9pm.
Several factors make purchase order dates an unreliable measure including supply chain issues experienced by manufacturers; freight delays; delays and issues with clearing customs. The state has a multi-faceted ordering strategy to help mitigate some of these challenges.

Source: DES. Data as of 6/8/2020 9pm.
Due to shortages, the state must continue to prioritize requests for PPE. DSHS PPE helps support long-term care facilities.
